Buying a Home?

If you're thinking about buying a home or commercial property this spring, getting pre-qualified early can make all the difference. It helps you know what to expect, shows sellers you're serious, and puts you in a better position when it's time to make an offer. A quick conversation now can save time and stress later.

We would like to take this opportunity to acknowledge a milestone in our paper's history... **The Shopper"** turns 77 in 2026.

In recognition of the fact that only a small percentage of businesses ever reach this mark, we are indeed humbled by the continuous support of the businesses, groups, organizations and communities that have sustained us these past 77 years.

We want to thank everyone who has advertised in our paper in the past, and offer special thanks to our readers for allowing us to be a small part of their lives and welcoming us into their homes.
