Hello Dryden & surrounding area residents!
We would like to take this opportunity to introduce ourselves.

We are the Dryden Republican Committee, a group of mostly like minded citizens that believe that small, results based governance still has a place in New York. After the sound thrashing we took last November, at the local and county level, we realized we needed to make "slight" adjustments to our approach.

Going forward the Dryden Republican Committee will be hosting events and fundraisers to support our mission and serve our community. We invite residents and neighbors to join us. We look forward to your participation and support!

In addition to sharing updates, our biweekly ad will explore topics that matter to our community. We hope these discussions will inform, inspire and bring people together.

Be sure to watch for upcoming ads here in the Shopper.

CAYUGA COUNTY
Countywide Brownfield Opportunity Area (BOA)
Pre-Planning Inventory and Analysis
PUBLIC MEETING
PUBLIC NOTICE

Notice is hereby given that the Cayuga County Department of Planning & Economic Development and the consultant team from Fisher Associates and MUD Workshop will host TWO public meetings for the Countywide BOA Pre-Planning Inventory and Analysis project. Both meetings will follow the same format and cover the same materials. Attendees are encouraged to come to the session that is the most convenient for them. The meetings will be held as follows. Southern Location: Wednesday, April 22nd from 6:00PM-8:00PM at the Locke Volunteer Fire Department; 1060 State Route 38, Locke, New York 13092. Central Location: Thursday, April 23rd from 6:00PM-8:00PM at Cayuga-Onondaga BOCES; 1879 W. Genesee Street Road, Auburn, New York 13021.

This meeting will introduce residents and stakeholders to the Countywide BOA Pre-Planning Inventory and Analysis planning initiative by providing an overview of the project scope and key topics to be addressed. Additionally, we are seeking public input to help identify and prioritize sites around the county that are potentially contaminated and/or underutilized. A public survey will be released immediately following the meeting to gather additional public input and comments. All residents, property owners, and business owners in the county along with any other interested community members are strongly encouraged to attend this meeting to share their comments. The meeting will begin with a brief presentation and then continue open house-style with interactive displays. Anyone with questions please send an email to planning@cayugacounty.us or call (315) 253-1276.

This Countywide BOA Pre-Planning Inventory and Analysis is being prepared with funding provided by the New York State Department of State under Title 11 of the Environmental Protection Fund.

While Central New York Cremation Service is a New York State registered funeral home, we are quite different from the "traditional" funeral homes you may be used to. We truly take a people first approach in our care of your loved one and you. Our mission statement comes from James 1:27, "Care for widows and orphans in their distress and do not be corrupted by the world."

What makes us different:

- Our prices are always available to see on our website unlike other funeral homes.
- Over the last three years we have been able to continuously lower our prices. Currently a direct cremation is \$900 plus the crematory fee (estimated * \$350) in some cases we are only 1/3 the cost of other local funeral homes.
- No frivolous fees like extra mileage, pacemaker removal, etc., that are common with other funeral homes.
- Private family viewings prior to cremation if needed at no cost. That's not common with other funeral homes either.
- Assistance with surrogates court paperwork, in many cases this can be done without a lawyer, we guide you right through. Also not common with other funeral homes.
- 40 laminated custom memorial cards and a guest book if desired for a celebration of life or memorial service at no cost to the family. This is another uncommon trait amongst funeral homes.
- Guaranteed prices for prearranged services. If our price goes up over the years, yours stays the same. Not a common practice in the funeral home world.
- Any urns or merchandise bought through us is done at our cost, we do not believe in retail mark ups.
- Our location in Moravia can be challenging for some people, that is why we always offer to come to you to do paperwork, deliver death certificates, and to deliver your loved one to you when you are ready, in the comfort of your own home, not a funeral home.

From the time a loved one passes until we deliver their ashes to you, we are with you every step of the way to comfort and guide you. Even after things are complete, we still provide aftercare guidance and support, if wanted, to help make sure your grieving process is moving forward in a healthy way, and of course there is no cost for this service.

We are a local, veteran owned and operated funeral service that takes pride in helping all our neighbors through difficult times. We treat each family like the family before and the family yet to come.....with all the love and compassion we can give during difficult times.
