AND FURTHER NOTICE IS HEREBY GIVEN that applicants for absentee ballots or early voting ballots (where applicable) will be obtainable between the hours of 8:00 AM and 4:00 PM, prevailing time, Monday through Friday, except holidays, from the District Clerk not earlier than the 30th day prior to the election. Completed absentee or early voting ballot applications must be received by the District Clerk at least seven (7) days before the election if the ballot is to be mailed to the voter, or the day before the election, if the ballot is to be delivered personally to the voter. Any qualified voter present in the polling place may object to the voting of the ballot upon appropriate grounds for making his/her challenge and the reasons therefore known to the Inspector of Election before the close of the polls.

AND FURTHER NOTICE IS HEREBY GIVEN, that the qualified voters of the School District shall be entitled to vote at said annual vote and election. A qualified voter is one who is (1) a citizen of the United States of America, (2) eighteen years of age or older, and (3) resident within the School District for a period of thirty (30) days next preceding the annual vote and election. The School District may require all persons offering to vote at the budget vote and election to provide one form of proof of residency pursuant to Education law 2018-c. Such form may include a driver's license, a non-driver identification card, a utility bill, or a voter registration card.

AND FURTHER NOTICE IS HEREBY GIVEN, any referenda or propositions to amend the budget, otherwise to be submitted for voting at said election, must be filed with the Moravia Central School Board of Education at the District Office on or before April 20, 2026, at 5:00 PM prevailing time; must be typed or printed in English; must be directed to the Clerk of the School District and signed by at least (25) qualified voters of the District; and must state the name and residence of each signer. However, the school board will not entertain any petition to place before the voters any proposition the purpose of which is not within the powers of the voters to determine, or any proposition which fails to include a specific appropriation where the expenditure of monies is required by the proposition.

AND FURTHER NOTICE IS HEREBY GIVEN, that military ballots be applied for during school business hours at the Office of Clerk of the School District. Completed applications for military ballots must be received by the Clerk no later than 5:00 p.m. on April 23, 2026. An individual will qualify as a military voter if he or she (1) is a qualified voter of the State of New York, who is in actual military service, and is absent from the district on the day of registration or election or is discharged from service within 30 days of an election; or (2) a spouse, parent, child, or dependent of such service member who is a qualified voter and is absent due to the service of a military member. Military ballots must be received by the District Clerk not later than 5:00 PM, prevailing time, on Tuesday, May 19, 2026.

While Central New York Cremation Service is a New York State registered funeral home, we are quite different from the "traditional" funeral homes you may be used to. We truly take a people first approach in our care of your loved one and you. Our mission statement comes from James 1:27, "Care for widows and orphans in their distress and do not be corrupted by the world."

What makes us different:

- Our prices are always available to see on our website unlike other funeral homes.
- Over the last three years we have been able to continuously lower our prices. Currently a direct cremation is \$900 plus the crematory fee (estimated * \$350) in some cases we are only 1/3 the cost of other local funeral homes.
- No frivolous fees like extra mileage, pacemaker removal, etc., that are common with other funeral homes.
- Private family viewings prior to cremation if needed at no cost. That's not common with other funeral homes either.
- Assistance with surrogates court paperwork, in many cases this can be done without a lawyer, we guide you right through. Also not common with other funeral homes.
- 40 laminated custom memorial cards and a guest book if desired for a celebration of life or memorial service at no cost to the family. This is another uncommon trait amongst funeral homes.
- Guaranteed prices for prearranged services. If our price goes up over the years, yours stays the same. Not a common practice in the funeral home world.
- Any urns or merchandise bought through us is done at our cost, we do not believe in retail mark ups.
- Our location in Moravia can be challenging for some people, that is why we always offer to come to you to do paperwork, deliver death certificates, and to deliver your loved one to you when you are ready, in the comfort of your own home, not a funeral home.

From the time a loved one passes until we deliver their ashes to you, we are with you every step of the way to comfort and guide you. Even after things are complete, we still provide aftercare guidance and support, if wanted, to help make sure your grieving process is moving forward in a healthy way, and of course there is no cost for this service.

We are a local, veteran owned and operated funeral service that takes pride in helping all our neighbors through difficult times. We treat each family like the family before and the family yet to come.....with all the love and compassion we can give during difficult times.

Owner/Funeral Director
