June 8th is normally a reason to celebrate, but not this year. I'm missing you so much. I never thought my son wouldn't see his 38th B-Day. 8 months later it feels like yesterday you left us. I can't hug you or tell you Happy Birthday, but I hope you can hear my prayers and when I'm alone I talk out loud to you. We miss your laugh, your smile, we miss you. Someday I will be with you and say everything I have to say, have fun with Grama,

Love you Bub
