Dear Neighbor,

Believe it! Together, we are making history. In just two months, your generosity has helped the Dryden Center for Community raise over \$280,000—enough to purchase the former Dryden Methodist Church and bring our dream to life. The DCC is becoming a reality!

But this is only the beginning. **To truly become the heart of Dryden, we need your continued support.** We're \$120,000 away from our \$400,000 goal. Reaching it will allow us to start renovations and launch the programs that will energize our community.

Imagine opening our doors with 400 Founding Members—one in five people in the village, all committed to building something extraordinary. **Every donation, whether \$25 or \$10,000, makes you a Founding Member** and earns your name a place on our beautiful entryway mural.

We also invite you to help shape the future of the DCC by volunteering. Soon, we'll share opportunities to join committees like:

- Buildings and Grounds
- Fundraising
- Outreach
- Policies
- Programming
- Volunteers

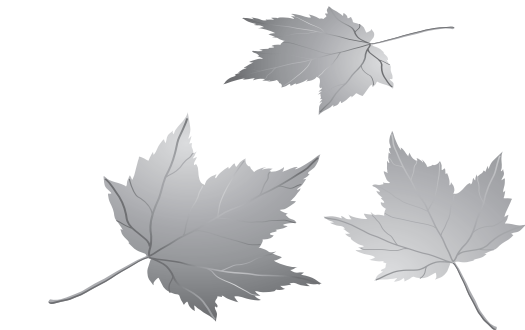

Give just one hour of your time before our grand opening, and you'll be honored as a Founding Member.

Let's create a place where everyone belongs—a center buzzing with activity, bringing neighbors together and inspiring pride in Dryden. With your help, the DCC will be a beacon of community spirit for generations to come.

Let's make it happen—together!

*Your gift is tax-deductible through our fiscal sponsor, Homer Center for the Arts. **Simply make your check out to Homer Center for the Arts (memo: Dryden Center for Community), 72 S. Main St, Homer, NY 13077. If you have questions, reach us at info@drydencenter.org.***

LANSING VOTED WHY ISN'T THE TOWN BOARD LISTENING?

On November 4, 75% of Lansing voters chose candidates who oppose a building moratorium, sending a clear message: Lansing needs investment to move forward, not backward.

Yet just one day later — and against the advice of the Town Attorney, Planning Board, and professional staff — the Town Board pushed ahead with a moratorium aimed squarely at one project: the Cayuga Data Campus, the largest private investment and tax-revenue opportunity in Lansing's history. The Board didn't even consult the Zoning Advisory Committee — created specifically to oversee this work — and, on the very same night, *approved yet another property-tax increase*.

What Lansing Stands to Gain

The Cayuga Data Campus is transforming the former coal plant into a modern, sustainable data campus that will:

- Stabilize and grow Lansing's tax base
- Create hundreds of good-paying local jobs
- Support schools, first responders, and community programs
- Drive business to local restaurants, hotels, and shops
- Build partnerships with local schools and colleges
- Preserve Cayuga Lake, restore the skyline, and contribute new public access and conservation land

This is responsible redevelopment — turning the long idle industrial site into tomorrow's clean-energy hub.

What's Really at Risk

Lansing's budget is in crisis. Property taxes keep climbing, and basic public services are being scaled back.

Instead of presenting a long-term financial plan, town leadership is rushing to adopt a politically motivated moratorium that targets a single project. This process has raised serious questions about open-meeting compliance and closed-door decision-making that encouraged activist participation while excluding the general public.

If enacted, the moratorium would:

- Delay millions in new tax revenue
- Push jobs and investment elsewhere
- Undermine public trust in local government

MAKE YOUR VOICE HEARD

Lansing voters spoke on Election Day.
Now it's time to make sure the Town Board heard you.

- 👉 Submit your comments for the public record at clerksoffice@lansingtownny.gov
- 👉 Attend the public hearing on Wednesday, November 19 – Lansing Town Hall Board Room

Tell them: Lansing deserves transparency, jobs, and fiscal responsibility — not another delay.

Let's Get Lansing Working Again

The Cayuga Data Campus is ready to move forward — responsibly, transparently, and in full partnership with the community.

Lansing deserves a future that honors its past, protects its lake, and supports its people.

Homeville MUSEUM
AT THE CNY Living History Center

**Shellback:
The Story of a WWII Sailor**
Saturday, November 15, 2025 1:00 pm

Presentation & book signing by
Karen Foresti Hempson

Shellback was inspired by real people who lived through the Great Depression and World War II. It centers on a young boy, born to Italian immigrant parents, who endures tough times with the singular goal of escaping poverty. He becomes a sailor taking part in major Pacific battles of World War II: including Pearl Harbor, the Aleutia Islands, Guam, Tarawa, and Saipan. Fictional characters in well-researched, authentic historical events.
