While Central New York Cremation Service is a New York State registered funeral home, we are quite different from the "traditional" funeral homes you may be used to. We truly take a people first approach in our care of your loved one and you. Our mission statement comes from James 1:27, "Care for widows and orphans in their distress and do not be corrupted by the world."

What makes us different:

- Our prices are always available to see on our website unlike other funeral homes.
- Over the last three years we have been able to continuously lower our prices. Currently a direct cremation is \$900 plus the crematory fee (estimated * \$350) in some cases we are only 1/3 the cost of other local funeral homes.
- No frivolous fees like extra mileage, pacemaker removal, etc., that are common with other funeral homes.
- Private family viewings prior to cremation if needed at no cost. That's not common with other funeral homes either.
- Assistance with surrogates court paperwork, in many cases this can be done without a lawyer, we guide you right through. Also not common with other funeral homes.
- 40 laminated custom memorial cards and a guest book if desired for a celebration of life or memorial service at no cost to the family. This is another uncommon trait amongst funeral homes.
- Guaranteed prices for prearranged services. If our price goes up over the years, yours stays the same. Not a common practice in the funeral home world.
- Any urns or merchandise bought through us is done at our cost, we do not believe in retail mark ups.
- Our location in Moravia can be challenging for some people, that is why we always offer to come to you to do paperwork, deliver death certificates, and to deliver your loved one to you when you are ready, in the comfort of your own home, not a funeral home.

From the time a loved one passes until we deliver their ashes to you, we are with you every step of the way to comfort and guide you. Even after things are complete, we still provide aftercare guidance and support, if wanted, to help make sure your grieving process is moving forward in a healthy way, and of course there is no cost for this service.

We are a local, veteran owned and operated funeral service that takes pride in helping all our neighbors through difficult times. We treat each family like the family before and the family yet to come.....with all the love and compassion we can give during difficult times.
