If today was your last day and tomorrow was too late, against the grain should be the way of life. What’s worth the prize is always worth the fight and every second counts because there is no second try. So, live like you’ll never live it twice, don’t take the free ride in your own life.

You know it’s never too late to shoot for the stars regardless of who you are. So do whatever it takes because you can’t rewind a moment in this life. Let nothing stand in your way, because the hands of time are never on your side.

We would like to take this opportunity to acknowledge a milestone in our paper's history... **The Shopper** turns 77 in 2026.

In recognition of the fact that only a small percentage of businesses ever reach this mark, we are indeed humbled by the continuous support of the businesses, groups, organizations and communities that have sustained us these past 77 years.

We want to thank everyone who has advertised in our paper in the past, and offer special thanks to our readers for allowing us to be a small part of their lives and welcoming us into their homes.
