It is also an opportunity to recognize the many cultures, traditions, and communities that contribute to the rich history and diversity of our country.

At First National Bank of Groton, we are proud to serve the communities we call home. We are grateful for the relationships we've built, the generations of families who have placed their trust in us, and the opportunity to continue supporting our neighbors and local businesses.

In observance of Columbus Day, **Both locations of First National Bank of Groton will be closed on Monday, October 12.** We will resume regular business hours on Tuesday, October 13.

While Central New York Cremation Service is a New York State registered funeral home, we are quite different from the “traditional” funeral homes you may be used to. We truly take a people first approach in our care of your loved one and you. Our mission statement comes from James 1:27, “Care for widows and orphans in their distress and do not be corrupted by the world.”

What makes us different:

- Our prices are always available to see on our website unlike other funeral homes.
- Over the last three years we have been able to continuously lower our prices. Currently a direct cremation is \$900 plus the crematory fee (estimated * \$350) in some cases we are only 1/3 the cost of other local funeral homes.
- No frivolous fees like extra mileage, pacemaker removal, etc., that are common with other funeral homes.
- Private family viewings prior to cremation if needed at no cost. That’s not common with other funeral homes either.
- Assistance with surrogates court paperwork, in many cases this can be done without a lawyer, we guide you right through. Also not common with other funeral homes.
- 40 laminated custom memorial cards and a guest book if desired for a celebration of life or memorial service at no cost to the family. This is another uncommon trait amongst funeral homes.
- Guaranteed prices for prearranged services. If our price goes up over the years, yours stays the same. Not a common practice in the funeral home world.
- Any urns or merchandise bought through us is done at our cost, we do not believe in retail mark ups.
- Our location in Moravia can be challenging for some people, that is why we always offer to come to you to do paperwork, deliver death certificates, and to deliver your loved one to you when you are ready, in the comfort of your own home, not a funeral home.

From the time a loved one passes until we deliver their ashes to you, we are with you every step of the way to comfort and guide you. Even after things are complete, we still provide aftercare guidance and support, if wanted, to help make sure your grieving process is moving forward in a healthy way, and of course there is no cost for this service.

We are a local, veteran owned and operated funeral service that takes pride in helping all our neighbors through difficult times. We treat each family like the family before and the family yet to come.....with all the love and compassion we can give during difficult times.

**A Local Historian's Efforts to Celebrate
"America 250!"**

Presentation by Martin Sweeney
Author, Historian, & Former Tour Guide of Historic Homer, NY

Martin Sweeney is the public historian for the Town and Village of Homer. He thinks the community should have ways to participate in celebrating "America 250!" He will share what he has learned about how some past July Fourths were celebrated in the Village and Town of Homer and the efforts he is undertaking for continued local observance of the national celebration.

Learn about Martin's play to be performed in November at the Homer Center for the Arts. Titled Tales Along the Tioughnioga, the two-act play will see figures from Homer's past come alive to tell of Homer's role in American history.

**Moravia
Hope
Pantry**

Serving residents of Moravia
Central School District

Located at
76 West Cayuga St., Moravia
1st and 3rd Saturdays
each month 9-11:30 am
Ph. 315-209-9420

Dear friends and neighbors,

A generous donor has decided to match any donation we receive through December 2026; dollar for dollar! That means anything you donate will automatically be doubled...Just think of the impact that \$5, \$10 or even \$100 could achieve once doubled!

With that being said, Moravia Hope Pantry is asking for your financial support. The need in our community continues to increase, with Moravia Hope Pantry feeding an average 400 individuals every month. We are helping more seniors, more large and extended families with more children each month. We continue our monthly service to Millstream and serve 137 Moravia school children each week through our Backpack Program.

Additionally, badly needed repairs have been made to our building with a new roof and replacement of most of the pantry floor to maintain structure and safety. Moravia Hope Pantry has a new website: moraviahopepantry.org

We hope you'll use this to visit our website and consider supporting the important work we continue to do with a digital donation platform, SquareSpace. Our website also now includes a QR code for staying informed about this dynamic and growing service to our area's neighbors as well as making donations to our increasing need.

Checks may be mailed to Moravia Hope Pantry,
PO Box 462, Moravia, NY 13118.

With gratitude,
Moravia Hope Pantry

Your contributions are tax deductible.

Moravia Hope Pantry is a 501 c 3 not-for-profit organization.
